- Auditions Policy

An offer of a place made to a Candidate is accepted by your returning signed copies of these Terms and Conditions and Code of Conduct (Learning Agreement) and complying with the requirements set out in Clause 6 below.

4. Entry Requirements, Key Facts

4.1 Entry Requirements

Students should have completed their secondary education to the age of 16 and have five or more GCSEs including English Language and Mathematics at a standard pass, Grade 4 or higher, or the equivalent from their home country. A copy of the student's academic results must be provided by 31 August 2024.

4.2 English Language Requirements

All students must have a good command of English prior to arrival.

Students seeking sponsorship for a student visa must:

- Provide, in good time to secure their visa, evidence that the student has passed a Secure English Language Test (SELT) at Level B1 or B2 on the Common European Framework of Reference for Languages (CEFR) in reading, writing, speaking, and listening (the four skills) with one of UKVI's approved test providers.
- Achieve in the SELT
 - for Level B1 an overall level of 4.0 or above in each of the four skills, or,
 - for Level B2 an overall level of 5.5 or above in each of the four skills.

Students who enter with a SELT at B1 will initially be enrolled for the two-year diploma and must subsequently pass a SELT at Level B2 if they wish to transfer to the three-year programme. Normally, this is only permitted at year end.

All students who do not speak English as a first language will be assessed at the beginning of the first term. The outcome of this assessment will determine whether a student will be required to undertake additional English tuition. English lessons for Speakers of Other Languages (ESOL) will be provided for those students who do not yet have the required level of English. These lessons are compulsory, and the cost will be in addition to the course fees.

4.3 Student Visa Requirements

Candidates who are not UK or Irish nationals, or nationals of an EU country with settled status in the UK, will likely require sponsorship from ENBS for a Student visa under Tier 4.

In order to secure sponsorship, a Candidate must:

- Hold the unconditional offer of a place at ENBS.
- Have passed a SELT as detailed above in clause 4.2.
- Have paid the Deposit.
- Have provided their passport (original).

The School will then issue a Certificate of Acceptance of Studies ("CAS") which will allow the student to apply for their Student Visa. Subsequent to this, sponsored students must supply their visa details before completing enrolment and remain engaged with the Course thereafter, to both School and UKVI definitions.

4.4 Students Funded via Dance and Drama Awards (DaDA)

The UK Education Skills Funding Agency (ESFA) offers several awards for students undertaking further education courses in dance or drama, known as Dance and Drama Awards. To receive help with their fees students must:

- Be aged 16-23 at the start of the course.
- Be a UK or Irish Citizen, or a migrant worker from the EU with settled or pre-settled status under the EU Settlement Scheme or fall into one of the other citizenship and residence eligibility categories defined for DaDA.
- Have been ordinarily resident in the UK, the EU, Switzerland, Norway, Iceland, Liechtenstein, or Gibraltar for the 3 years prior to the start of the course.
- Have a household income of less than £90,000.

The application for DaDA will be assessed against household income, initially through the DaDA self-declaration form and then the DaDA application form (see paragraph 6 below). On receipt of the latter, we will check your eligibility for DaDA, confirm how much you will need to contribute, if any, to your child's fees, and invoice for this amount on or around 1st August 2024. Paragraphs 4.5.1 to 4.5.7 below also apply to the balance of any tuition fees directly payable to ENBS in respect of students who are part-funded via the Dance and Drama Awards.

If you apply, but are not eligible, for any DaDA funding then the Deposit will immediately become payable to ENBS in accordance with Clause 4.5 below.

4.5 Tuition Fees for Students not Funded via Dance and Drama Awards (DaDA)

School tuition fees for the academic year 2024-2025 are £21,890. Fees are invoiced and paid in advance, approximately one month before the start of each term. One term's fees are equal to 1/3 of the yearly tuition fee. The termly invoice will be sent to the email address of the parent named as the main contact for correspondence unless otherwise agreed. Tuition fees are subject to annual review and may be adjusted in line with the UK government Consumer Price Index (CPI).

Following our offer of a place, to secure your place as a fee-paying student at ENBS a payment of £2,200 will be required within 10 working days of the date of our offer of a place. £200 of this being a contribution towards administration costs, while the remainder will be held as a deposit to be deducted from the student's final term's fees at the School, at the conclusion of their time with ENBS.

The payment is non-refundable if the Candidate does not take up their place at ENBS (except where you have cancelled acceptance of a place at ENBS within 14 days as set out in Clause 6.1 below).

Tuition fees for 2024-2025 are required by the following dates:

- £7,297 due on 1 August 2024
- £7,297 due on 1 December 2024
- £7,297 due on 1 March 2025

These fees include the costs we incur in the usual course of educating a Student. We refer to any items or services charged to you that are supplemental to the fees as 'supplementary charges.' By way of example, any individual language lessons in which the Student participates will be supplemental to items met by the fees and charged accordingly. In addition, the costs set out in clause 4.5.6 shall be charged as supplemental to the fees. Additional charges incurred by the School in providing for the special educational needs of the Student may also be charged as supplemental to the fees.

All the fees and supplemental charges are exclusive of any taxes, which will be added (where applicable).

Supplementary charges will be added to the relevant termly invoice and must be paid at the same time as the tuition fees for that term.

Fees and supplemental charges will not be reduced due to the Student's absence and will not normally be reduced or refunded as a result of illness or otherwise, or as a result of us being required to provide education services remotely for whatever reason.

From time to time, we may ask you to provide us with sufficient information so that we can properly and accurately verify your identity, the Student's identity, that you are not subject to sanctions imposed by any competent authority and the legitimate source of funds you are using to pay the fees. You must provide the School with the information and documentation requested within seven days.

4.5.1 Payment of Fees

Each individual who has signed these Terms & Conditions is liable for, and must ensure that, all the fees and supplemental charges due are paid to the School. This is because our Contract applies to both of you together and each of you on your own. Each parent or guardian who signs the Terms and Conditions therefore has an individual responsibility to ensure that, individually or between them, the fees and supplemental charges owing to the School are paid. Court orders (for example, where parents are separated or divorced) and other arrangements between parents, grandparents or third parties relating to fees do not normally bind or apply to the School, and do not extinguish either parent's liability for the fees and supplemental charges due under this Contract.

An individual who has signed the Terms and Conditions may be removed from their payment responsibility under this Contract if the individual has obtained the prior written consent of both the School and any other individual(s) who have signed the Terms and Conditions.

Parents of international students can make payments either:

- Into the School's bank account, please note that payment by this method will incur a £6 bank charge.

or

- Through Flywire, www.flywire.com

4.5.2 Non-payment of School Tuition Fees

Fees and supplementary charges should be paid in full by the date specified on the invoice unless requested in writing by you and mutually agreed with the School in advance. If this date is missed, the School may apply a late fee charge of 5% of the overdue balance. Where accounts continue to be in debt, students will be excluded from the course until up-to-date payments are made. Where an account remains in debt for two or more terms, the Student's place at the School may be terminated, and we may withhold any references and/or withdraw sponsorship of a Student's visa (if applicable). This applies in addition to our right to terminate this Contract under Clause 10. Please contact the School's Finance Manager at enbsaccounts@enbschool.org.uk immediately to discuss any difficulties with keeping up with payments. You will be responsible for paying the costs we incur in recovering, or attempting to recover, any unpaid fees or supplemental charges from you (including reasonable legal costs).

4.5.3 Withdrawal and Refund Policy – Tuition Fees

Once the Contract has been formed (see 6 below), to withdraw your child from the School a full term's notice, given via the required form, is mandatory. Failing this, a payment of a term's fees as you would otherwise have been invoiced for, will be payable by you and will become due and owing to ENBS upon demand as a debt. The Deposit will be deducted from the final invoice.

4.5.4 Withdrawal and Refund Policy – All Other Fees

If a Student chooses to leave before the end of the academic year, the School will not refund any fees paid into the School's bank account.

4.5.5 Bursaries and Scholarships

Bursaries are grants provided, in a limited number of cases, to students in financial need in order to support them with cost-of-living expenses.

Scholarships are awarded to highly talented students, at the discretion of the Artistic Director, and with financial need also being considered in some cases.

Any bursary or scholarship offer will be detailed in the Offer Letter, or subsequent to, our offer of a place.

Recipients of bursaries and scholarships will, on occasion, be required to represent the School at public engagements, performances, and fundraising events.

Bursaries and scholarships awarded in one year are not guaranteed for the following year(s). Where there is the potential for extension, this will be subject, inter alia, to the recipient making satisfactory artistic and academic progress, and remaining in good financial and general standing with the School.

4.5.6 Other Costs Applicable 2024 - 2025

The following list includes other fees payable:

- Medical insurance £1,326
- Vitamin checks £62
- ESOL (if applicable) from £450
- School uniform (men) £250 - £450
- Tutu (women) £150

Please note that the fees listed above are based on 2024-2025 costs and may vary when actual costs are received from providers. Uniform costs above do not include shoes, tights, and socks.

Payment of any additional items can be made through bank transfer into the School's bank account or via Flywire.

4.5.7 Health and Insurance

Every Student must have private medical insurance with the School's AXA PPP Health Care Insurance Scheme. The yearly premium for the 2024-2025 academic year is £1,326 with an additional excess fee of £100 that applies per year if/when needed. Some Students may be exempt from this fee provided they are already covered by an adequate insurance policy; the policy must be approved in advance by the School's Head of Healthcare.

All Candidates will have submitted a completed medical form and injury form prior to our offer of a place. The medical form must have been completed by the candidate's GP, regular doctor, or another doctor who has access to their medical records. Any pre-existing injury or medical condition must be disclosed to the School before accepting the offer of a place. Should a Student require long term injury management or become unfit to train, related to a pre-existing condition or injury not disclosed before acceptance of offer, all additional costs will be charged to parents, or, in exceptional cases, enrolment terminated.

5. Other Terms and Conditions

Progression to further years of the course is dependent upon:

- The Student's satisfactory artistic and academic progress, attendance, and engagement; and
- That the Student remains fit to train and engages with ongoing health and wellbeing support; and
- The Student maintains their right to study in the UK on this Course; and
- You, the fee payer, remain in good financial and general standing with the School.

If a Student does not meet one or more of these requirements, they may be required to repeat the assignment or the entire year, or to undergo other measures as a remedy. In exceptional circumstances,

a Student's enrolment may be terminated. As a result, repeat fees may be charged and the cost may vary.

All Students are required to hold a bank account in the UK. The Student Support and Welfare Officer will be able to assist any Student who needs to open a bank account.

It is a condition of remaining at the School that the Student and each parent/guardian must comply with the School Rules, and in particular, the School's Code of Conduct and Pupil Behaviour Policy. The Pupil Behaviour Policy applies to all Students when they are on School premises, or in the care of the School, or travelling to or from School, or a School event, or otherwise representing or being associated with the School.

The School may undertake drugs and alcohol testing of Students if it has a reasonable belief that the Student is using or abusing drugs or alcohol. This approach has been adopted for disciplinary purposes and with the aim of safeguarding the health and safety of all Students.

The School may, subject to applicable data protection legislation, monitor a Student's email and messaging communication, internet and Wi-Fi use and use of social media. We may do this for various reasons, including ensuring compliance with the School Rules, or where it is necessary for the School to do so, in connection with the School's legal and/or other duties and responsibilities or other legitimate purposes or good practice requirements.

The School cannot accept responsibility for any loss or damage to property that may occur. Parents and/or guardians are strongly advised to arrange insurance for the Student's property.

All questions regarding these Terms and Conditions may be emailed to enrolment@enbschool.org.uk or please call the School directly on (+44) 20 7376 7076.

6. Accepting a place at ENBS

Once we have offered a place, the following must be undertaken by the Candidate and/or their parent/guardian to accept that place.

6.1 Accepting a Place

Within one calendar month of the date of our offer of a place, accept that place by:

- Returning a signed copy of these Terms and Conditions and of the Student Code of Conduct; and *either*
- Paying the £2000 deposit and £200 administration fee at 4.5 above; *or*
- Submitting a completed DaDA Self-Declaration form.

Please note that if you submit a DaDA application form but are declared ineligible for any funding then the deposit and administration fees become immediately due to the School.

The Offer Letter, along with these Terms and Conditions and any agreed schedule of fees, scholarship or bursary (as each may be amended from time to time) form the terms of the contract between you and the School, which is formed when we acknowledge, by email, your acceptance of our offer of a place. It is not intended that this contract be enforceable by any third party.

Please note that you then have 14 days from the date of our e-mail acknowledgement to change your mind and cancel the contract. You should do this by writing to the School or emailing enrolment@enbschool.org.uk to withdraw your acceptance of our offer, so that the date we receive your letter or email falls within 14 days of our acknowledgement above. Providing you do so, any deposit

and administration fees paid by you will be refunded in full. You do not need to give a reason for cancelling.

If DaDA funded, after receipt of the initial self-assessment, the student will be issued with a provisional offer of financial support.

6.2 After acceptance and before you come to the School

You must:

- If applicable, submit a complete and clear copy of the DaDA application form, with proof of total household income, by the deadline advised by the School. On receipt of this form, we will check your eligibility for DaDA and confirm how much you will need to contribute, if any, to your child's fees.
- If needing ENBS sponsorship for a student visa, provide passport and a SELT (see paragraphs 4.2 & 4.3 above) to the School within the required timetable, along with visa details once granted.
- Complete the Registration Form by the required date.
- Meet any other conditions, as detailed in our Offer Letter.
- By 31st August, preceding the course start date, pay the first term's tuition fees as applicable or have entered into an agreement to do so.

7. Our Obligations

We agree, for each and every Student enrolled with us, that we will comply with the terms of the Contract.

Whilst the Student remains at the School, we shall deliver your course and services related to your course with reasonable skill and care in respect of your education and welfare. This obligation will apply during School hours and at other times when the Student is permitted to be on School premises or is participating in activities organised by the School.

We cannot accept any responsibility for the welfare of the Student while off the School premises unless they are taking part in a School activity or otherwise under the supervision of a member of School Staff. This is why it is vitally important that an appropriate guardian is nominated for international Students.

Unless you notify us to the contrary, you consent to the Student participating in trips and visits organised in the normal course of the Student's education.

If your child needs urgent medical attention while under the School's care we will try and contact you and, if practicable, we will share information from the Student's medical file with the doctor or other medical practitioner.

Our website and prospectuses describe the broad principles on which the School is presently run. However, from time to time it may be necessary to make changes to any aspect of the School, including to the curriculum or the matter of providing education for the Student (including by providing such education remotely where the School is required to close).

Where practicable, we will give you notice of any planned changes that we regard to be significant to the Student's education.

We will monitor the Student's progress at the School and provide regular updates. We will advise you if we have any serious concerns about their progress, but we do not undertake to diagnose specific learning difficulties.

Religious observance, relationship and sex educations, and health education will be conducted in accordance with the School's policies.

We may transfer our rights and obligations under this Contract to another organisation. We will tell you in writing if this happens and we will ensure that the transfer will not affect your rights under this Contract.

8. Your Obligations

In order to fulfil our obligations, we need your cooperation by fulfilling your own obligations under these Contracts. You agree to:

- Comply with the terms of this Contract, including any documents or policies forming part of this Contract, including but not limited to your obligations regarding your child's attendance and behaviour.
- Pay your tuition fees and any other fees required under this Contract.
- Inform us as soon as reasonably possible if it transpires that information provided by you in your application to study with us was false, incomplete, incorrect, or misleading.
- Inform us as soon as reasonably possible if the conditions of your offer to study with us cease to be met by you.
- Where applicable, inform us immediately where the conditions of your Tier 4 sponsorship cease to be met by you.
- Always keep us informed of your up-to-date contact details.
- Maintain a constructive relationship with School Staff, acting reasonably and ensuring tone, content, and/or the nature of your communications and interactions with the School are reasonable and appropriate.
- Keep the School up to date and informed about matters that may affect the Student and that all details notified to the School are accurate, truthful, and not misleading; and that relevant details are not withheld.
- Attend meetings and keep in touch with the School where the Student's interest so requires, this includes responding to communications and requests from the School in a timely and constructive manner.
- If the School so requires due to a health risk either presented by the Student to others, or by reason of a virus, pandemic, epidemic or other health risk, you undertake that the Student will not attend the School until such a time as the health risk has passed.
- Nominate a responsible adult for the Student, who amongst other things, can be contacted by the School if the School is not able to contact you and who can look after the Student in your absence. If the School sponsors the Student's visa, this is also a requirement of their visa.
- Raise any cause for concern as to a matter of safety, care, discipline, or progress of the Student without undue delay.
- Make all complaints in accordance with the School's complaints policy/procedure.

Your obligations under this Contract apply for the duration of the Student's time at the School. Failure to do so may result in us taking action under our Student Code of Conduct and Disciplinary Policy, or, in serious cases, suspension or withdrawing the Student from the Course.

9. Personal Information

We will need to use information relating to the Student, and to you, for certain purposes connected with the running of the School. This will include, name, contact details, school records, photographs and audio-visual transmissions and recordings both whilst the Student is at School, and after they have left for the purposes of:

- Managing relationships between the School and current students/parents and fulfilling our obligations to you including educational purposes, safeguarding, statutory reporting, health and safety, complaints administration, and processing of fees; and
- Promoting ENBS to prospective students/parents, publicising the School's activities and communicating with the School community and the body of former students. This included use of such information by the School in /on the School's prospectuses, the ENBS website and (where appropriate) the School's social media channels.

The School will process personal data about you and the Student in accordance with data protection law, including the UK General Data Protection Regulation and the Data Protection Act 2018 and other related legislation. We will process such personal data:

- As set out in this Clause 9 and in the School's Privacy Notices which are available from the School/on the School's website, as amended from time to time; and
- In order to comply with any court order, request from or referral to, an appropriate authority, or legal, regulatory, or good practice requirement; and
- To perform our obligations under the Contract, and where otherwise reasonably necessary for the School's purposes.

In order to comply with our responsibilities, we may need to provide information relating to the Student's right to enter, reside and/or study in the United Kingdom to the Home Office (and to do so whether your child is a sponsored child or not). Such information may include information about the Student's immigration status and attendance records etc.

10. Termination

In addition to where this Contract is terminated under clause 4.5.2 above, the School may end this Contract at any time by notice to you in writing, without any obligation to return any Deposit or fees to you if:

- You make a serious misrepresentation of facts or circumstances to us, or you withhold important information from us; or
- The Student no longer holds an immigration status which confers a right to enter and study in the UK and you have been unable to resolve this in a reasonable timeframe; or
- You repeatedly or persistently fail to pay the fees when they fall due for payment; or
- You are the subject of a bankruptcy petition or enter into an individual voluntary arrangement; or
- You otherwise do not comply with your obligations under this Contract such that we have a legal right to end the contract because of something you have done wrong, or in the School's reasonable discretion, the School is not able to provide the educational services it needs to in satisfaction of its obligations under this Contract.

You have the right to end this Contract at any time by notice in writing to the School if:

- You have a legal right to end it because of something we have done wrong; or
- The School becomes insolvent or goes into liquidation, receivership, administrative receivership, or is wound up for any reason.

For the avoidance of doubt, this Contract will end at the end of the Student's time at ENBS.

Once this Contract ends, it will not affect any legal rights or obligations that either you or we have that may already have arisen, for example, your obligation to pay any outstanding invoices, fees, or supplemental charges. After this Contract ends, you and the School will keep any rights each has under, or as a matter of, general law.

11. Force Majeure

An 'event outside of our/your control' is any event beyond either your or our reasonable control, including acts of God, war, riot, civil commotion, compliance with any law or governmental order, rule, regulation, guidance or direction (including that of a local authority), accident, fire, flood storm, pandemic or epidemic of any disease, terrorist attack, chemical or biological contamination. In the remainder of this Clause 11, we shall refer to such events outside of our/your control as an "Event."

If an Event arises that prevents or delays the School's performance of its obligations under this Contract, the School shall give notice in writing specifying the nature and extent of the circumstances giving rise to the Event. Provided the School has acted reasonably and prudently to prevent and/or minimise the effect of the Event, the School will not be responsible for not performing those obligations that are prevented or delayed by and during the continuance of the Event. To the extent reasonably practicable in the circumstances, the School shall try during the continuance of the Event to continue to provide educational services (including by providing appropriate educational services remotely).

If a Student is wholly and completely unable to participate in the provision of any education at the School or remotely due to reasons caused by an Event beyond your control, you shall give the School notice in writing and the following provisions shall apply:

- In consultation with the School, you shall do everything reasonably possible to minimise the impact of the Event in order to continue to perform your obligations under this Contract in any way that is reasonably practicable in the circumstances; and
- If the Student is still unable to participate and benefit from any level of provision of education by the School, then you shall not be responsible for failing to perform your obligations during the continuance of the Event; and
- If the Event continues to prevent the Student wholly or completely from attending the School, or being able to participate and benefit from any level of provision of education by the School for more than six months, you shall discuss with the School and following such discussions you or the School shall be entitled to cancel the Contract on written notice and without you being required to give a term's notice or to pay a term's fees in lieu of notice.

12. Miscellaneous

The Contract between you and the School is governed by English law and either you or the School must bring legal proceedings in respect of this Contract in the English courts.

If we choose not to enforce any part of this contract, or delay enforcing it, this will not affect our right to enforce the same part later (or on a separate occasion) or the rest of this Contract.

If we cannot enforce any part of the Contract, this will not affect our right to enforce the rest of the Contract.

We reserve the right to change or add to these terms and conditions from time to time for legal, safety or other substantive reasons, or in order to assist the proper delivery of education at the School. The School will send you no less than a term's notice of any such modifications.

We accept your offer of a place at English National Ballet School on behalf of our child with effect from September 2024 on the terms of the Offer Letter received and these Terms and Conditions and confirm acceptance of these.

We confirm that enclose a cheque/have arranged a bank transfer for the Deposit (if applicable).

By signing these Terms and Conditions we confirm that:

1. All holders of parental responsibility for the Candidate named below above have signed and that no-one else holds parental responsibility for the Candidate.

2. Unless otherwise notified to the School in writing before signing this Acceptance Form:

a. Any information or circumstances about us and/or our child that has previously been notified to the School (including as part of the School's registration and admissions process) is and remains complete and accurate; and

b. The Candidate has the right to enter, live and study in the United Kingdom and, if applicable, we have made appropriate arrangements for our child's visa application, travel, reception, living and care in the UK.
