

AUTUMN INTENSIVE COURSE 2026

APPLICATION PACK

If you are aged 13-17 years and interested in experiencing life at English National Ballet School, make sure to apply for our Autumn Intensive Course. Taught by the ENBS faculty, students will have the opportunity to attend three days of training at our School in Chelsea.

Designed for students who are considering applying for full-time vocational ballet training, the Autumn Intensive places a particular focus on audition preparation and developing the skills required for successful auditions. The course will consist of daily ballet technique classes, repertoire and/or variations, choreography, and audition preparation workshops. Through practical coaching, students will gain valuable insight into the vocational audition process, developing their ability to learn choreography quickly, demonstrate artistry and musicality, respond to direction, and understand what vocational schools look for in aspiring dancers.

The intensive offers an insight into the demands of full-time vocational training while providing an opportunity to refine technique, enhance performance quality, and build confidence in a supportive and inspiring environment. Students will also receive guidance from ENBS faculty on how to prepare for future auditions and take their next steps towards vocational study.

Please note that we do not provide audition for the School during the Autumn Intensive. If you are interested in joining the School in September 2027, please see the audition information on our website.
